**Summary of Legislation:** This bill provides that a political subdivision may perform public work by using its own workforce if the cost of the project is less than \$150,000. (Current law provides that the project cost must be less than \$100,000.)

**Effective Date:** July 1, 2011.

**Explanation of State Expenditures:**

**Explanation of State Revenues:**

**Explanation of Local Expenditures:** Raising the limit to \$150,000 could increase the number and types of projects that some local units could complete using its own workforce, which could reduce local expenditures to the extent that the local unit would not need to contract for additional outside services. The specific impact is unknown and will vary from unit to unit.
